- NAP coverage is NOT available on any crop that is insurable at the CAT Level in the County at any level of maturity. If insurance is not available we can cover the crop, regardless of maturity. See 1NAP (Rev2) Par 502 for reductions due to age.
- Nursery Crops are Insurable in ALL California Counties. (crop coverage can be verified by a Crop Ins. Agent for your county)
- Coverage begins the later of: 30 calendar days after the date CCC-471 is filed, or the date the crop is planted, not to exceed the final planting date
- Coverage ends the earlier of harvest, abandonment or destruction of the crop or the normal harvest date
